Check here if your league allows players to be protected from the 2006 season and you do not want these players included in your 2007 draft package.

FREE Delivery (check **Only One**)

One full copy of the league report is sent each week by EITHER Mail or FAX. Please select one and provide the appropriate information. Providing a Zip + 4 code will help the mail service. Providing an Alternate FAX #, if you have one, will help if/when your primary FAX # is unreachable (turned off, out of paper, broken...) Monday.	<input type="checkbox"/> Mail	<input type="checkbox"/> FAX

Additional Deliveries (Optional)

Additional Deliveries are complete copies of the weekly league report sent by Mail or FAX in addition to the FREE Delivery (see above). Please enclose the mailing address / FAX number for each additional delivery on a separate sheet of paper.

Reports sent by mail are Pre-sorted, metered mail by 8:30am Tuesday mornings. The US Postal Service estimates 2 day delivery for most US cities (Thursday's mail) or 3 day delivery for the rest of the US (Friday's mail).

Reports sent by FAX are sent between 11am and 4pm on Mondays and go in an order based on when your transactions are received. Reports can be sent Monday morning (10-12am Eastern Time) for an additional charge. Call for details.

If you would like additional copies of your league's report mailed or FAXed out each week, use the following chart. Prices are for each additional address or fax # for the season. The price of each additional delivery goes up as your league size increases since you report size increases.
